Hung August Report

Dear Elders Jason, Oxley, Ron and all the members of MESA Valley Church Of Christ,

I greet you in the name of our Lord and Savior Jesus Christ. You all are in my daily prayers and always thankful for your support and care. By God's grace me and my family are doing well. Thank you for your prayer and kindness for the mission works in Myanmar and my family. As I did mention in my requirement of your support in my previous letter I had started a preacher Training School from the month of June with 5 students. This training school is a three years course, next year I will accept another 5 students. We expect that within three years the number of students will increase to 15 students. And also now I'm working with three teachers, we are teaching daily Monday to Friday.

I have never stopped doing evangelism in my area. I was able to meet 24 new people and teach the gospel of Christ within these three months. I added the note in the table below. I met my former friends also to discuss the bible as much as possible. My ultimate goal is to start a congregation (Church Of Christ) in this area.

Thank you for your encouragement and support, may our Heavenly God continue to bless you all.
